

**Ministry of Community Development,
Culture and the Arts**

Community Development Division

Community Development is important in building strong communities, giving people a sense of belonging and encouraging them to contribute to the social, cultural, economic and political well-being of their community.

VISION

A highly trained and motivated staff that enables the transformation of the community sector into dynamic, caring, cohesive and self-reliant communities.

MISSION

The division that provides holistic people centered projects, programmes and services to all communities in the national development process.
